Number: 002-P-2023

MPS will discontinue the S823-series stringing insulator from the beginning of 2024, as a part of the strategic product-line optimization efforts.

Current Open orders will be fulfilled. New orders will be entertained until the supply lasts. Please be advised that no new orders will be accepted after December 2023.

Below is the list of the products affected by the change:

- S823 – Stringing Insulator
- S823A – Replacement Insert for Stringing insulator.
- S823B – Eyebolt for Stringing Insulator
- S823C – Hair pin for Stringing Insulator
- S823SR – Stringing Insulator w/roller assembly
- S823SI – Stringing Insulator w/steel adapter
- S823S – Steel adapter

Please contact your MacLean customer account specialist for any further questions at 855-MPS-SHIP.
