Due to low demand MacLean Power Systems has discontinued offering catalog number J8930, Oval Eye Screw, effective immediately.

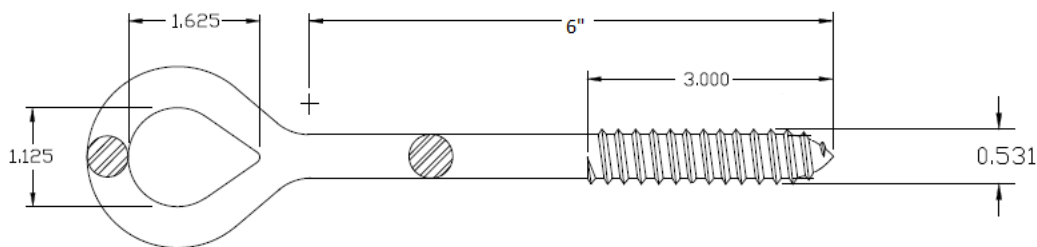

Figure 1 - J8930 Oval Eye Screw

There isn't a direct replacement for this product. The closest application equivalents are Oval Eye Bolts which can be found on the MacLean Power Systems website located at: <https://www.maclepower.com/product/pole-line-hardware-a-e/bolts/oval-eye>

Please take note and update any standards accordingly.

Contact your MPS representative for assistance with specification or to obtain additional help as needed.
